

:MULTI-DECK

DESIGNED
AND BUILT FOR

WALKER

Give your Walker Mower greater versatility with a Walker MULTI-DECK. Quickly and easily switch between **COLLECTING, MULCHING** and **SIDE-DISCHARGING** grass — all without tools — for a beautiful finish.

COLLECTION

MULCHING

SIDE-DISCHARGE

:MULTI-DECK

Choose a Walker MULTI-DECK for:

- Three types of mowing with a single deck
- Quickly and easily change between cutting modes, without tools
- A professional result in each cutting mode
- MACH II Blade System for optimum mulching in New Zealand conditions, and blade impact protection.
